

CONTINUING ENROLLEES
IN THE ADJUNCT FACULTY MEDICAL BENEFITS
PROGRAM

Enrollment Period: September 2020

Please note: there are changes to the process for ***Continuing Enrollees*** due to the AFA/District Side Letter re Coronavirus Emergency Effects dated 7/16/2020:

Adjunct faculty members who are currently participating in the Adjunct Medical Benefits Program (AMBP) will maintain eligibility for the program during the 2020-2021 academic year, even if the faculty member's load drops below the 40% threshold required by the state-funded program. In order to continue to be eligible to receive medical insurance, adjunct faculty members must have an assignment in the District or be on an approved leave during the Fall 2020 and Spring 2021 enrollment periods.

You must meet the eligibility criteria as listed below and submit the form below to Human Resources by September 30, 2020 to continue your medical insurance:
