Prior Authorization

The following are some frequently-utilized Benefits that require prior authorization:

- Radiological and nuclear imaging services
- Outpatient mental health services, except office visits
- Hospice program services
- Inpatient facility services

Please review the Benefit Booklet for more about Benefits that require prior authorization.

Notes

1 Benefit Booklet:

The Benefit Booklet describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the Benefit Booklet for more details of coverage outlined in this Summary of Benefits. You can request a copy of the Benefit Booklet at any time.

Capitalized terms are defined in the Benefit Booklet. Refer to the Benefit Booklet for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before the Claims Administrator pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✔) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by the Claims Administrator before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✔) next to them in the "CYD applies" column in the Benefits chart above.

This benefit Plan has a combined Participating Provider and Non-Participating Provider Calendar Year Deductible.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

Notes

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.
- Any charges above the specified Benefit maximum are not covered, do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider.

---

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount, or
- any charges above the stated dollar amount, which is the Benefit maximum.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.
- Charges above the Allowable Amount or Benefit maximum do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.
- Some Benefits from Non-Participating Providers have the Allowable Amount listed in the Benefits chart as a specific dollar ($) amount. You are responsible for any charges above the Allowable Amount, whether or not an amount is listed in the Benefits chart.

---

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges above a Benefit maximum.

Essential health benefits count towards the OOPM.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a separate Participating Provider OOPM and Non-Participating Provider OOPM. The following Non-Participating Provider services will accrue to the OOPM:

- Ambulance services;
- Emergency services;
- Certified Nurse Midwives;
- Skilled nursing facilities (SNF) services at a Freestanding SNF; and
- Hearing aids and equipment.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

Notes

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

8 Outpatient Facility Services

Services and supplies for the following Outpatient surgeries are subject to a Benefit maximum if performed in the Outpatient department of a Hospital: athroscopy, cataract surgery, colonoscopy, upper GI endoscopy, and upper GI endoscopy with biopsy. The Benefit maximum does not apply when the same services are provided in a participating Ambulatory Surgery Center.

9 For Services by Non-Preferred, Non-Participating and MHSA Non-Participating Providers:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

You are responsible for all charges above the Allowable Amount. However, if the Non-Preferred/Non-Participating/MHSA Non-Participating Provider is a Hospital based Physician performing Services at a Participating/MHSA Participating Provider (in-network) facility; or out of network lab services, when performed by an in-network (participating) provider, but sent to a non-participating provider for processing, the Claims Administrator's payment will be made at the Participating Provider copayment level.

Authorized Referrals for Services by Non-Preferred/Non-Participating//MHSA Non-Participating Providers –

In some circumstances, the Claims Administrator may authorize participating provider cost share amounts (Deductibles or Co-Payments, if applicable) to apply to a claim for a covered service you receive from a non-participating provider. In such circumstance, you or your physician must contact the Claims Administrator in advance of obtaining the covered service. It is your responsibility to ensure that the Claims Administrator has been contacted. If the Claims Administrator authorizes a participating provider cost share amount to apply to a covered service received from a non-participating provider, you also may still be liable for the difference between the maximum allowed amount and the non-participating provider's charge. Please call the customer service telephone number on the back of your ID card for authorized referral information or to request authorization.

Authorized referral occurs when you, because of your medical needs, are referred to a non-participating provider, but only when:

a. There is no participating provider who practices in the appropriate specialty, which provides the required services, or which has the necessary facilities within a 50-mile radius of your residence;
b. You are referred in writing to the non-participating provider by the physician who is a participating provider, and
c. The referral has been authorized by the Claims Administrator before services are rendered. You or your physi-cian must call the toll-free telephone number printed on the back of your identification card prior to scheduling an admission to, or receiving the services of, a non-participating provider. Such authorized referrals are not available for transplant and bariatric surgical services. These services are only covered when performed at a COE.

Plans may be modified to ensure compliance with Federal requirements.
