1. This Side Letter is effective through the end of the 2021 Spring semester:
2. Should the need for this Side Letter Agreement extend beyond the spring 2021 semester, the Parties may mutually agree to extend this Agreement in additional 30 day increments.

 - Any accrued sick leave may be used as personal necessity leave during the temporary change of operations to allow faculty to utilize additional days of sick leave, and will not be precedent setting.
4. Faculty members who go on leave due to inability to transition to or maintain remote instruction or services must notify the Program Director or Designee as soon as possible.
5. Any additional changes to workload or calendar, will be negotiated between the parties.
